

Rolling Hills Derby Dames Attendance and Dues Payment Options

Updated April, 2013

- All skaters must mark off their attendance at every practice.
- Skaters' first practice with RHDD is at no charge.
- Subsequent practices are \$5 each. No skater should pay more than \$30/month.

If paying per practice:

- Please insert check/money into an envelope and seal it.
- Write legal name and the date(s) that are being paying for. Insert payment into the lock box.
 - The lock box will be checked twice a month.
 - Checks should be made out to Rolling Hills Derby Dames.
 - Refunds will not be granted unless a skater has paid over \$30 for a given month.
 - Referees are not charged for dues.

If paying monthly:

- Active skaters should pay monthly dues at \$30/month.
 - Payment can be made by PayPal, cash, or check (PayPal preferred).
 - Please be sure to include the month being paid for and your name.
 - If paying for the \$30/month in check or cash, please use a labeled envelope and notify the league via email that the payment is in the lock box.
- Notices will be sent out reminding active skaters to avoid late payments.
 - Late fees will be assessed on the 15th of each month unless the league has been notified of cause.

We want all of our active skaters to participate in the league. If a skater feels unable to keep up with payments for a short time, please contact the league e-mail so we can privately create a solution. Failure to communicate non-payment will result unnecessary fees and stress.

All new active skaters should be added to our e-mail list. If you have not received updates from the league, please e-mail us to be added to our list serve.

If you have been to three or more practices, please contact the league to be added to our private active skaters group on Facebook.

Please direct any questions to the league email at rollinghillsderbydames@gmail.com or the contact form on our website.
